

HVAC Designers of Canada Monthly Update

January 15, 2024

December Technical Talk

We had a great technical talk in December on New Refrigerants - The Refrigerant Transition in Canada. For those who were unable to make it, a video recording of the presentation as well as the slides will be available on the members only section of our website.

January Technical Talk

Join us on January 24th for our next technical talk. We will be discussing our Designer Registry, why it's important as well as our new NRCan project surrounding the registry. More information and the link to register here: <https://events.teams.microsoft.com/event/9f780a24-b530-4dfa-9277-401fdd4674b0@86243c6d-7620-4481-aa01-72d2bf5848f7>

Have ideas, suggestions or requests for our upcoming talks? Please email us at admin@hvacdc.ca

Codes Acceleration Fund

We are very excited to share with you all that last year we put in a proposal for NRCan's Codes Acceleration Fund. Our application was selected for funding and we will be starting the project in the next few weeks. The objective of this Project is to establish and promote a national system for recognizing qualified residential Heating, Ventilation and Air Conditioning (HVAC) designers in order to provide consistent interpretation of HVAC design good practice in support of higher levels of energy efficiency. We encourage you all to apply for the registry using the information below!

HVAC Designer Registry

In September, you should have received an email about our new HVAC Designer Registry launching. This is a huge step for our association and the industry and we are excited to establish and promote it. If you have any questions or did not receive the email please let us know. This document reviews required documents for submission: [Designer Registry Application Checklist..pdf](#)

Membership

We would like to extend a warm welcome to our new members: Michael O'Rourke, Antoine Assaf, James Glouchkow and Mariko Michasiw.

As we continue to grow our organization, we would love for you to refer others in the industry to join us! You can share this link with them: [HVAC Designers of Canada - JOIN HVAC-DC \(hvacdc.ca\)](#) or have them contact info@hvacdc.ca and we would be happy to help!

We are now on social media!
