

HVAC Designers of Canada Monthly Update

October 1, 2024

October Technical Talk

Join us on October 16th as we welcome Strat Padazis from Air Solutions. He has been around for decades in the industry, and will discuss the industry changes with respect to branding – Venmar – VanEE – Broan; and also what they propose for the quickly exploding market for fully ducted HRV's for small secondary suites having no forced air system. HVAC Designer Registry

A few months ago, we announced our HVAC Designer Registry Project with support from NRCan. We have officially soft launched the webpage on our website and want to encourage all HVAC Designers to apply. This registry will be promoted nationally as part of the project and we hope to demonstrate capacity for increased requirement of HVAC design. The application form can be found here: [HVACDC-DesignerApplication.pdf](#)

If you have any questions please email admin@hvacdc.ca

Corporate Sponsorship

As we grow our association, we are looking for sponsors to support us. We have launched a corporate sponsorship plan that can be viewed here: [Corporate Sponsorship Plans.pdf](#). If you or anyone you know may be interested, please let us know!

New Member Benefit - Avenir

We are very excited to announce that Designer or Associate members of HVAC Designers of Canada can now receive a 10% discount on any new LoopCAD or HeatCAD subscription. For the discount code and terms and conditions, please email admin@hvacdc.ca

Membership

We would like to extend a warm welcome to our new members: Ed Bradbury, Christina Ji, Jennifer Nicholls and Anna Schappert.

As we continue to grow our organization, we would love for you to refer others in the industry to join us! You can share this link with them: [HVAC Designers of Canada - JOIN HVAC-DC \(hvacdc.ca\)](#) or have them contact info@hvacdc.ca and we would be happy to help!

We are now on social media!
