

HVAC Designers of Canada Monthly Update

September 6, 2024

September Technical Talk

Join us on September 18th as we welcome Niss Feiner of Delta T Designs presenting on “Designing for Northern, Remote, and Arctic Communities”. More information and the link to register here: <https://events.teams.microsoft.com/event/a1d30ded-0c5c-4575-87f1-8e93541dbb16@86243c6d-7620-4481-aa01-72d2bf5848f7>

HVAC Designer Registry

A few months ago, we announced our HVAC Designer Registry Project with support from NRCan. We have officially soft launched the webpage on our website and want to encourage all HVAC Designers to apply. This registry will be promoted nationally as part of the project and we hope to demonstrate capacity for increased requirement of HVAC design. The application form can be found here: [HVACDC-DesignerApplication.pdf](#)

2024 AGM

On October 9th at 1 pm we will be holding our 2024 AGM. This will be a chance to hear more about the association, some of the work we have done in the last year and also to elect new board members. More information to follow.

Membership

We would like to extend a warm welcome to our new members: Adam Perry of AP HVAC Design and Leo Villasenor.

As we continue to grow our organization, we would love for you to refer others in the industry to join us! You can share this link with them: [HVAC Designers of Canada - JOIN HVAC-DC \(hvacdc.ca\)](#) or have them contact info@hvacdc.ca and we would be happy to help!

We are now on social media!
